Happy New Year

The Board of the NZCFI wish all our members a Happy New Year. We hope that 2021 is a more settled year than 2020 and wish everyone the best for a healthy and prosperous year.

The Board has started 2021 with a very productive meeting on 27 January. The meeting, originally planned as a face to face meeting in Auckland was changed to a ZOOM meeting due to the recent COVID19 case. This did not diminish the enthusiasm of the Board and the plans for the NZCFI.

The Board is looking forward to an exciting year and look forward to sharing the journey with our members. Stay tuned.....

! CONFERENCE 2021 !

WE NEED YOUR FEEDBACK!

This year we are due to hold our **biennial Conference**. This is a fantastic event that our members and sponsors look forward to. We are aware that the world has changed over the past 12 months and would, therefore, like to know if our members would support/attend a conference if we were to hold it in **Auckland** in **October 2021**. We value and need your feedback (asap!). Please email info@nzfi.org and advise if you would attend or not (this is not a commitment to attending, just an indication). We would appreciate if everyone could provide prompt feedback so that we can start planning accordingly.
